# **Kelab Pencinta Alam (KPA )**

Strategies	Progress February 2020	Remarks/ Issues / difficulties
<p>5.2.2 Promote the establishment of Kelab Pencinta Alam in schools and link these to the network of MNS EECs, and promote Environmental Education to teachers and the Ministry of Education.</p>	<ul style="list-style-type: none"> <li>• <b>Bengkel Mesyuarat Guru Penasihat Kelab Pencinta Alam Negeri Sembilan</b> Venue: SMK Mantin Date: 6 February 2020</li>   <li>• <b>Bengkel Mesyuarat Koordinator Pendidikan Negeri MNS</b> Venue: NEC, Frim, Kepong Date: 21 – 23 February 2020 No of Attendees: 23</li> </ul>	<p>KPA Officer was invited to attend a meeting and introduced KPA to the schools at Seremban district. It was held by a former KPA Teacher who has been placed to a new school. This KPA Teacher intended to expand KPA membership and initiatives in Negeri Sembilan, considering the number of the school are lower in this state.</p> <p>More than 20 teachers had attended this meeting and we were able to recruit more than 10 schools to register as KPA Members</p> <p>This program started with a welcoming speech from the MNS President, Dr. Ahmad Ismail. It followed with a talk by Dr Hum Gurung on Environmental Education from a global prespective.</p> <p>Later on, the KPA Meeting discussing KPA as a whole begin at night. Among the agenda was:</p> <ul style="list-style-type: none"> <li>• KPA 2019 Report Presentation (HQ)</li> <li>• KPA Conference – to discuss the concept</li> <li>• KPA 2019 Report Presentation by the State Coordinators</li> </ul> <p>Issues arising:</p> <ul style="list-style-type: none"> <li>• Some state coordinator felt overwhelmed by the request of MNS council to organize KPA state activities. Feedback: They were advised to conduct the activities within their own capacity. KPA Officer advised them to plan the program wisely instead of a rushed event without proper planning, despite the request from MNS Council</li> <li>• Johor MNS State Coordinator, Mdm Yong</li> </ul>

planned to request for fund from some of the parties at Johor to support KPA Johor State Camp. However, she could not ask for the fund without a proper lettering. She was advised to consult the MNS Johor Branch to work on the matter. The request was made but according to Mdm Yong, MNS Johor Branch asked to consult with MNS HQ instead due to the back and forth process for the fund transaction from t HQ. Feedback: KPA Officer has consulted MNS ED for this matter. According to him, despite of the back and forth process for the fund transaction, all the lettering to support Mdm Yong, it has to come from the MNS Johor Branch.

- KPA Terengganu Coordinator asked whether the 3 years term as KPA schools despite the renewal can be changed. He mentioned to faced difficulties as to keep track those yet to renewed within the year, as they still can join some of the KPA programs.

Feedback: This matter will be brought up among the KPA State coordinators and also MNS ED.

- All the state coordinators were reminded again on building good relationships with State Education Department Officer.

Among the excursion within the program were:

- Visit to IWK Plant at Putrajaya  
Objective: To make the teachers understand the role of IWK in sustainability and as part of the education that can be included in the EE module
- Visit to UCF

- **TM-MNS Proposal for 2020**

Objective: To introduce MNS effort in maintaining forest in an urban area and to set UCF as an example for nursery which can be implemented in schools

- Visit to Taman Tugu

Objective: To introduce effort in maintaining IUCN endangered tree species within urban area.

A proposal writing class was conducted by Ms Raja Umami who is currently assisting MNS with PR and branding on how to attract funders. However, there were some teachers that were against the idea. According to KPA Pahang State Coordinator, teachers by profession are not allowed to do monetary request from any bodies, only PIBG are allowed for such matter. We clarified to them that this session is merely to enhance teacher's capacity for should there be international grants and other funding opportunities. But the class went smoothly as the teachers understand the concept of proposal writing.

A concept on the new TM-MNS collaboration proposal was drafted, completed and sent to TM Team. The initial idea was to use digital learning as an easy platform for KPA schools to get access on EE learning.

However, some of the feedback/concern by TM was:

- Additional strategic partnership
- The theme of online content
- Platform for the online content

Because of the issues, and also not having enough resources to provide the digital

The school's participation are limited with 40 pax per school and only 25 schools are allowed to attend the 2 days event.</p> <p>After the name of schools were collected, letters were drafted to get the permission from the State Education Department. Other preparation includes drafting EE activities for the event.</p>
